Re: Request for information on the Oakley Landfill Site in North Hampton, New Hampshire

Dear Mr. Marchessault:

My company is Learnco Incorporated, Exeter, New Hampshire. We are a publisher of kids' workbooks, software disks, and teacher's guides for the school market. Typically the materials we sell are printed elsewhere and delivered to us in cartons which are reused or thrown out (along with other paper trash). We don't own any printing presses.

As far as I know we generate no hazardous waste and relative little nonhazardous waste. I do not know if any of our nonhazardous waste goes to the Oakley Landfill site. Our trash goes to a composter and we lose track of it there.

If I can help you further please let me know.

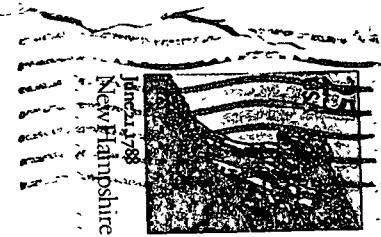

Sincerely,  
Learnco Incorporated

J. H. Smith
